STATEMENT OF UNDERSTANDING

I hereby acknowledge that I have read and understand the conditions set forth in the Statement of Living and Working Conditions for Japan. Any promises made verbally or unofficially to me in regard to the living and working conditions in the area to which I am assigned may not be considered as terms of employment.

Note: Since the rights and privileges of Federal employees are based on legislation, Executive Orders, interpretations by the Comptroller General and orders issued by other competent authority, they are subject to change without notice. Such change may not be considered a violation of the terms of employment.
